Subject: RE: Dental Council: Short OHT fee consultation

Hi Marie

Thank you for the opportunity to give my view on the proposed Oral Health Therapist practising fee when it is introduced on 1 November 2017. I agree that the current graduates do not pay any extra this year as they have already paid the higher amount (dental therapy) in March. I think it is appropriate that the Dental Therapy fee be used for the remaining 4 months of this APC cycle for others wishing to register in this scope.

Kind Regards

Margaret Kane ;-)
