Dear Marie

Thank you for your email regarding the proposed changes to the Professional Boundaries Practice Standard.

The draft document has been read and reviewed by our Executive Committee. With regard to the consultation questions asked:

- 2) NZAO does not believe the draft professional boundaries practice standard requires clarification or further guidance.
- 3) NZAO does not consider there are any other areas that have not been covered in the draft professional boundaries practice standard.
- 4) NZAO does not have any further comments on the proposed professional boundaries practice standard and thanks the Dental Council for the opportunity to consider this important aspect of dental practice.

Please don't hesitate to contact us should you need any further clarification.

Thank you.
