Page 5: Draft competencies and related scopes of practice

**Q5** Dentist competencies

Choose the draft competencies you would like to provide feedback on. You can comment on any or all the proposed sets of professional competencies, but separately.

Page 6: Dentist competencies

**Q6** **Disagree**

Do you agree/disagree with the proposed draft dentist competencies?

---

**Q7**

Please detail your position below

Every patient is treated with the same dignity and respect. I have worked internationally and find this is the case in all the regions I have been registered. No one ethnic group is profiled as we are all individuals and no necessarily aligned with our ethnic group therefore all are treated with equal dignity and respect

---

**Q8** **Disagree**

Do you agree/disagree to remove the detailed general dental scope of practice activities from the gazetted scope of practice, and to replace these with gazetted professional competencies?

---

**Q9**

Please detail your position below

Every patient is treated with the same dignity and respect. I have worked internationally and find this is the case in all the regions I have been registered. No one ethnic group is profiled as we are all individuals and no necessarily aligned with our ethnic group therefore all are treated with equal dignity and respect

---

**Q10** **No**

Would you like to provide feedback on another draft set of competencies?

---
