Q5

Agree

Do you agree/disagree with the proposal to remove the mandated requirement for a professional relationship (dental therapy), working relationship (dental hygiene, orthodontic auxiliary practice), and a consultative professional relationship (oral health therapy) from the respective scopes of practice. Please detail why.

Q6

Please provide comments to support your response.

I work closely with Dental and Oral health Therapists in the role of Clinical Director for the Nelson Marlborough Community Oral Health Service. I have no concerns with the proposed changes.

Q9

Agree

Do you agree/disagree with the removal of the requirement for direct clinical supervision for administration of local anaesthetic and prescription preventive agents? Please detail why.

Q10

Please provide comments to support your response.

I agree that the administration of LA does not require direct supervision - it is part of every Hygienist's core training and experience and I am keen to remove as many barriers as possible to encourage the use of LA for patient comfort.
