

Summary of Decisions

From the Dental Council meeting 17 June 2019

The Dental Council (Council) is the statutory body constituted under the Health Practitioners Competence Assurance Act 2003 (the Act) to maintain the health and safety of members of the public by providing mechanisms to ensure that health practitioners are competent and fit to practise. Council endeavours to keep its key stakeholders up to date with key decisions.

This document is a summary of Council's decisions from the meeting held in June 2019.

University of Otago postgraduate programmes condition report

The ADC/DC(NZ) Accreditation Committee considered the University of Otago's postgraduate programmes' report on the conditions that had to be met by 31 March 2019. The DClinDent (oral medicine) condition relating to formalising the programme's medical attachments have not been met, and an extension until 30 September 2019 was granted. The other conditions considered were met and closed.
